- If your policy provides travel assistance, you may be required to notify the designated assistance company prior to treatment.
- Your policy may limit benefits should you not contact the assistance company within a specified period of time.

### Notice Required by the Alberta Insurance Act:

- the time and date you arrive in Canada from *home*.

Except for losses resulting from any *injury*, coverage will begin 48 hours after the *effective date* if you purchase *your* policy:

- after the *expiry date* of an existing Manulife policy; or
- after you leave *home*.

When coverage is purchased prior to leaving *home* with an *effective date* equal to the date and time you are scheduled to arrive in Canada, coverage will also be provided with no additional premium during *your* uninterrupted flight directly to Canada. An uninterrupted flight can include a stop-over provided you do not leave the airport.

**Your coverage ends** on the earliest of the following:

- each time you leave Canada to return *home*;
- when *your* policy expires as shown in *your confirmation*;
- when you become a resident of a nursing home, home for the aged, or other long-term care facility during *your trip*;

An uninterrupted flight can include a stop-over provided you do not leave the airport.

During *your* coverage period, if you return *home* under the Trip Break benefit (#13), *your* Visitors to Canada coverage will be suspended but not terminated and when you return to Canada, *your* policy coverage will resume provided you are still eligible for coverage. There will be no refund of premium for any of the days during *your* return *home*.

During *your* coverage period, if you take a side-trip outside of Canada that is longer than that permitted in this policy, *your* Visitors to Canada coverage will be suspended for the remainder of *your* side-trip but *your* coverage will not be terminated. When you return to Canada, *your* coverage will resume.

**Automatic extension of your coverage** is provided beyond the date you were scheduled to return *home* as per *your confirmation* if:

- *your common carrier* is delayed and prevents you from travelling on *your expiry date*. In this case, we will extend *your* coverage for up to 72 hours;
- you or *your travel companion* are hospitalized on *your expiry date*. In this case, we will extend *your* coverage during the hospitalization up to a maximum of 365 days or until, in *our* opinion, you are stable for discharge from the *hospital* or for evacuation *home*, whichever is earlier, and for up to 5 days after discharge from the *hospital*;
- you or *your travel companion* have a *medical condition* that does not require hospitalization but prevents travel on *your expiry date*, as confirmed by a *physician*. In this case, we will extend *your* coverage for up to 5 days.

**To extend your coverage**, you must make *your* request before *your expiry date* or the date you were scheduled to return *home* as per *your confirmation*. If you have had no change in *your* health status and have had no event that has resulted or may result in a claim against the policy since the *effective date* of insurance, the extension may be issued upon request. Otherwise, the extension is subject to the approval of the Assistance Centre. In order to avoid the *waiting period*, purchase *your* extension of coverage before the *expiry date* of *your* existing Visitors to Canada policy issued by us.

### To obtain a refund of premium:

- If you are cancelling *your* policy because *your* application for a Parent and Grandparent Super Visa was refused, you must provide proof of visa refusal with *your* request for a full refund. Otherwise, you can ask for a full refund at any time before the *effective date* of *your* insurance.
- If you obtain Canadian *government health insurance plan* coverage, or return *home* before the date you were scheduled as per *your confirmation*, and have not reported or initiated a claim, you may ask for a refund of the premium for the unused days of *your trip*. You will need to provide proof of the date you actually returned *home* or the *effective date* of *your* Canadian *government health insurance plan* coverage. Simply contact us to ask for a refund. All travellers insured under the same policy must return

together or have Canadian *government health insurance plan* coverage in effect for a refund to be possible. Minimum premium refund amount is \$25.

- c) If *you* hold a Parent and Grandparent Super Visa and have purchased 365 days of coverage, and are requesting a partial refund due to *your* early return to *your home* or departure from Canada and:
- have had no claim that has been reported, paid or denied,
    - unused premiums (minimum of \$25) may be refunded when *you* have provided proof of return to *your home* or departure from Canada: or
  - have reported a claim or have a payable claim for which the payment has not been issued or the total amount of all reported eligible claim expenses will not exceed the deductible amount, or if a claim has been denied,
    - *you* may apply to have such claim withdrawn and, subject to *our* approval, the unused premium may be refunded less a handling fee of \$300 per claim, which will be deducted from any amount to be refunded. Any expenses related to any claim that *you* withdraw, will be *your* responsibility for payment.
  - a claim has been paid,
    - no refund is possible.

A written request to cancel this policy must be received within 60 days following the date *you* return *home* along with proof of *your* departure from Canada. In no event will *we* back-date a cancellation to more than 60 days prior to the date of receipt of *your* cancellation request. If *your* cancellation request must include a copy of *your* return airline ticket or a copy of *your* boarding pass, and a copy of every page of *your* passport to verify that *you* did not visit Canada between the date *you* returned *home* and the date *you* submitted *your* refund request and a statement saying that *you* have not incurred any paid claims and will not report or submit any claims against this policy. Once any refund of premium has been requested, no expenses will be accepted for consideration under the policy, regardless of the date the expense was incurred. Refunds will be credited to the same credit card used to charge the premium. No refunds are available for *Trip* Interruption Insurance after the *effective date*, side-trips or *Trip* Breaks.

## SECTION 8 – WHAT IS COVERED UNDER EMERGENCY MEDICAL INSURANCE?

Under *Emergency* Medical Insurance, *you* are covered for the actual eligible covered expenses related to the medical attention *you* need if a medical *emergency* begins unexpectedly after *your effective date* of insurance and when these expenses are not covered by any other benefit plan. The maximum amount payable is based on the plan *you* have purchased. Medical attention must be required as part of *your emergency treatment* and ordered by a *physician* (or a dentist in the case of dental *treatment*). Covered expenses and benefits are subject to the policy's exclusions and limitations and *your* deductible amount. The deductible amount is the amount of covered expenses that *you* are responsible for paying per person per *emergency* medical claim. *Your* deductible amount applies to the amount remaining after any covered expenses are paid by any other benefit plan *you* may have. The deductible amount is shown on *your confirmation* and applies to each claim.

**All medical procedures and/or tests (including but not limited to MRI, MRCP, CAT Scan, CT Angiogram, Nuclear Stress Test, Angiogram or Cardiac Catheterization or any surgery) must be authorized by the Assistance Centre in advance.**

Follow-up visits are covered until the attending *physician* or *our* medical advisors declare the end of the medical *emergency*.
- 2. Expenses for paramedical services** – *Treatment* received from a licensed chiropractor, osteopath, acupuncturist, chiropodist, physiotherapist or podiatrist, up to \$70 per visit to a maximum of \$700 for a covered *injury*. *Your* paramedical practitioner must be a person other than *yourself* or an *immediate family* member.

In addition, if someone is legally required to identify your body and must travel to the place of your death, we will pay the return economy class airfare via the most cost-effective itinerary for that person, as well as up to \$300 for that person's hotel and meal expenses. We will also cover that person for up to 72 hours under the same Emergency Medical Insurance Plan purchased by you.

**6. Expenses to bring you home** – If your treating physician recommends that you return home because of your emergency or if our medical advisors recommend that you return home after your emergency treatment, we will pay for one or more of the following:

We will only pay for these expenses if you have actually paid for them.

**8. Expenses to bring someone to your bedside** – If you are travelling alone and are admitted to a hospital for five (5) days or more because of a medical emergency, we will pay up to \$3,000 for the return economy class airfare via the most cost-effective itinerary for one immediate family member or one close friend to be with you. Expenses to return children under your care** – If you are admitted to hospital for more than 24 hours or must return home because of an emergency, we will pay for the extra cost of the children's economy class airfare home via the most cost-effective itinerary and the return economy class airfare via the most cost-effective itinerary for a qualified escort when the airline requires it. The children must have been under your care during your trip and covered under this policy.

**11. Expenses to return your travel companion** – We will cover the extra cost of one-way economy class airfare via the most cost-effective itinerary, to return your travel companion (one person who is travelling with you at the time of your emergency and insured under our travel insurance plan) home, if you are repatriated or evacuated under Benefit #5 or 6 above.

**12. Hospital allowance** – If you are hospitalized for more than 72 hours, we will reimburse up to \$100 for each 24-hour period to a maximum of \$300 for telephone and television out-of-pocket expenses incurred by you when hospitalized. Expenses must be supported by original receipts.

**13. Trip break** – If you have requested and received prior approval from our Assistance Centre, you may return home without terminating your coverage. Your coverage will be suspended but will not terminate after you leave Canada and while you are home. - for which it was reasonable to expect before you left home that you would need treatment during your trip; and/or
- for which future investigation or treatment was planned before you left home; and/or
- which produced symptoms that would have caused an ordinarily prudent person to seek treatment in the three (3) months before leaving home; and/or
- that had caused your physician to advise you not to travel.

12. The failure of any travel supplier through which you have contracted to supply services, or the failure of any travel agent, agency or broker to supply services.

13. Any act of war or act of terrorism.

### If you are making a claim under Trip Interruption Insurance, the following conditions apply:

1. You must contact the Assistance Centre immediately or, at the latest, the business day following the cause of the interruption. Any delays in notifying the Assistance Centre will limit the benefit to the non-refundable amount that would have been payable on the date the cause for claim occurred.
2. We will need proof of the cause of the claim including a medical certificate completed by the attending physician and stating why travel was not possible as booked and, if applicable:
  - complete original unused transportation tickets and vouchers;
  - original passenger receipts for the new tickets purchased;
  - the original receipts for the travel arrangements paid in advance and for the extra hotel, meal, taxi and telephone expenses incurred by you;

## SECTION 11 – WHAT ELSE DO YOU NEED TO KNOW?

This policy is issued on the basis of information provided in your application (including the medical questionnaire if required). Your entire contract with us consists of: this policy, your application for this policy (including the completed medical questionnaire if required), the confirmation issued in respect of that application, and any other amendments or endorsements resulting from extensions or top-ups of coverage. This insurance is void in the case of fraud or attempted fraud, or if you conceal or misrepresent any material fact in your application for this policy or extension of coverage under this policy.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

**Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the governing provincial statutes respecting contracts of accident and sickness insurance where your policy was issued.**

### Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither we, upon making payment under this policy, nor our agents or administrators assume any responsibility for the availability, quality, results or outcome of any treatment or service, or your failure to obtain any treatment or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

### Premium

The required premium due and payable at the time of purchase will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract, provided it is accompanied by a confirmation upon which a contract number appears, and we have received your completed application (including the medical questionnaire if required) prior to your effective date.

If the premium is insufficient for the period of coverage selected, we will: charge and collect any underpayment; or shorten the policy period by written endorsement if an underpayment in premium cannot be collected. Coverage will not be in effect if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of your payment exists.

### How does this insurance work with other coverages that you may have?

The insurance coverages outlined in this policy are second-payor plans. If there are other third-party liability, group or individual, basic or extended health insurance plans or contracts including any private or provincial or territorial auto insurance plans providing hospital, medical or therapeutic coverage or any other third-party liability insurance in force concurrently herewith, amounts payable hereunder are limited to those expenses incurred while away from home that are in excess of the amounts for which you are insured under such coverage.

If you are eligible, from any other insurer, for benefits similar to those provided under this insurance, the total benefits paid to you by all insurers cannot exceed your actual expenses. We will coordinate the payment of benefits with all insurers who provide you with benefits similar to those provided under this insurance, to a maximum of the largest amount specified by each insurer (except if your current or former employer provides you with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less).

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in your name, but at our expense, against third parties who may be responsible for giving rise to a claim under this policy. You will execute and deliver such documents as are necessary and cooperate fully with us to allow us to fully assert our rights. You will do nothing to prejudice such rights.

If you are insured under more than one policy underwritten by us, the total amount we will pay to you cannot exceed your actual expenses; and the maximum you are entitled to is the largest amount specified for the benefit in any one policy. If you are insured under more than one policy and the total amount of all accident insurance you have exceeds \$50,000, our aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

### To whom will we pay *your* benefits if you have a claim?

Except in the case of *your* death, we will pay the expenses covered under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay us any amount paid or authorized by us on *your* behalf if we determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, we will use our exchange rate on the date *you* received the service outlined in *your* claim. We will not pay for any interest under this insurance.

### Is there anything else *you* should know if you have a claim?

If *you* disagree with our claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *your* policy was issued.

Every action or proceeding against an insurer for the recovery of insurance money payable under this contract is absolutely barred unless commenced within the time set out in the Insurance Act, or in the Limitations Act, 2002 in Ontario or other applicable legislation.

To determine the validity of a claim under this policy, we may obtain and review medical records from *your* attending *physician(s)*, including the records from *your* regular *physician(s)* at home. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford us the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
