Rights of Examination

For the purposes of determining the validity of a claim under this Policy, **We** may obtain and review the medical records of **Your** attending **Physician(s)**, including the records of **Your** regular **Physician(s)** from **Your Country of Origin**. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to **You** before **You** incurred a claim under this Policy. In addition, **We** have the right, and **You** shall afford **Us** the opportunity, to have **You** medically examined when and as often as may reasonably be required while benefits are being claimed under this Policy. If **You** die, **We** have the right to request an autopsy, if not prohibited by law.

Termination

You may at any time request that this contract be terminated, and the **Insurer** shall, as soon as practical after **You** make the request, refund the amount of premium actually paid by **You** that is in excess of the short-rate premium calculated to the date of the request according to the table in use by the **Insurer** at the time of the termination.

For a full description of the procedures and details, **We** direct **Your** attention to **Section 18: Premium Refunds** of this Policy.

We may terminate this contract in whole or in part at any time by giving written notice of termination to **You** and by refunding, concurrently with the giving of notice, the amount of premium paid in excess of the proportional premium for the expired time. The notice of termination may be delivered to **You**, or it may be sent by registered mail to **Your** latest address on record. Where notice of termination is delivered to **You**, five **(5)** days' notice of termination will be given; where it is sent by registered mail to **You**, fifteen **(15)** days' notice will be given, and the fifteen **(15)** days will begin on the day the registered letter is delivered to **Your** postal address.

Waiver

The **Insurer** shall be deemed not to have waived any condition of this contract, either in whole or in part, unless the waiver is clearly expressed in writing signed by the **Insurer**.

When is Money Payable?

All money payable under this contract shall be paid by the **Insurer** within sixty **(60)** days after the **Insurer** has received proof of claim.
